“ *Mommy please don't cry for me  
Tell dad to not be sad  
Tell my brothers and sisters to remember all the fun we had  
.tell everyone I will miss them too and I'll be watching over you  
Don't shed a tear for me because I'm not with you on earth tonight  
but I'm watching over from the clouds with the stars as my flashlight.  
I know you'll miss me terribly but we will be together again you'll see  
For know I'll wait for you in Heaven while the Angels take care of  
me b*
