“ *I was introduced to Mr Whitt through a family member because Mr Witt needed help getting ready for a major yard sale. I was brought to this beautiful place in Bertram and met this man that was wearing bib overalls and probably the most friendly smile I've ever seen. I took an immediate liking to him and went to work for him. In the short time that I had with the Whitt family, I witnessed a man who loved his wife and his family beyond anything else. He shared with me his spiritual journey and how he started going to church and what a difference that had made in the way he thought about things and what peace it had given him. Mr Whitt would stop whatever he was doing everyday at 3:00 to go in and have coffee with his wife. He made it top priority to to spend that time with her everyday, I thought it was the most beautiful testament of a love that most of us only get to witness in people like Mr. an Mrs. Whitt. The kindness that this man showed me and my brother was the epitome of a true Christian. My life will forever be changed for the better for having known him. My deepest sympathy goes out to the Whitt family for the Loss of this Great Man. Know that you are all in mine and my Brothers prayers.*
