

## Amanda Perry

December 21, 1995 - November 16, 2022

Amanda Perry, 26 years young, passed away on Wednesday, November 16, 2022 at Seton Medical Center in Harker Heights, Texas.

She was born December 21, 1995 at Darnall Army Community Hospital in Fort Hood, Texas to Stephanie Lynn Harvey and Mark David Perry. She loved working on and riding bikes, fixing cars, TikTok videos, listening to music and singing, and hanging out with her friends and family. Amanda was a very happy, loving person that had a very big heart, touched a lot of hearts, and always put others before herself. She was very generous and always wanted to help. She would do just about anything for anybody and never expected anything in return. She never seen the outside appearance of anybody, only their inner beauty. You didn't have to be popular for her to be your friend. We actually came up with a name for the group of people that she hung out with most, The Not Cool Kids Club.

When she loved, she loved everybody, and loved hard. And doing anything, it was always all or nothing. The room always lit up when she walked in. She brought the sunshine on a cloudy day and the rainbow after the rain. She never cared what people thought and would even make fun of herself if it would make people laugh. She learned always be honest even if the truth hurt and doing the right thing isn't always the easiest. She didn't change herself for anybody. She wasn't afraid to be herself and never watered herself down or sugar coated anything. She was always 100% real. There wasn't many people

that she didn't like or didn't get along with. She will be missed by all that knew and loved her.

Amanda is preceded in death by her father, Mark Parry; grandfather, Everett Perry; step-grandfather, Samuel Hayes; grandmothers, Faith Hayes and Linda Harvey; and great-grandmother, Hazel Harvey.

Survivors include her son, Dusty Perry; mother, Stephanie Harvey and partner Dennis Ratts; sister, Renee Perry; nephew, Ashley Hughes Jr; bonus dad, Victor Fowler; grandfather, Stanley Harvey and wife Lisa; uncles, Kendall Perry and Stephen Perry; aunt, Michelle Harvey; cousin, Wayne O'Brien; two dogs, Harley and Jagger; numerous second and third cousins, great aunts and uncles, and her bestest bestie, Samantha Labato.

A celebration of her life will be 10 am Friday, December 16 at Heritage Funeral Home, Lampasas.

Arrangements are entrusted to Heritage Funeral Home of Lampasas.

“ Me and Amanda grew up together 14 years we where each others rock in a hard place. Even now if I have even the slightest inconvenience in my day to day activities I still message her fb I tried calling once then hung up and balled my eyes out. She was the definition of unconditional love. I remember it was the middle of my second year of 9th grade we had already broken up like months before but she had moved back here into her moms and she called me right before I got to school and I walked to meet her 😭 and then we walked back to my house and I told my mom I had a surprise for her (the surprise was Amanda😭) my mom flipped her lid because I skipped school just to walk around with Amanda. Oh and another time I was 17 and she was still 16 we ran away and went to a friends house he was knocked out so we took his car for a joy ride and then we went back to my moms and packed up our stuff and waited for her dad to pick us up we went to longview to stay with her grandparents faith and Sam we had do much fun we'd walk around and one time she picked up a snake that was laying in the middle of the road and she carried it all the way back to her grandmas house and then she chopped it's head off 😭 then we went to the dallas area and stayed with her aunt Julie we ended up breaking up and I moved to colorado to my dads. But no matter what we always ended back up being the partners in crime we've always been. 2 peas in a pod ❤️

“ *I'm so thankful that we got to spend just about everyday of the last 9 months together laughing or on the phone laughing. There was never a dull moment or a day that my side didn't hurt from laughing with or at you (that was your goal). Your laugh was so contagious and wonderful to hear. I just wish I could have saved you. You were one of the reasons I get up every morning and one of the reasons I never gave up. I'm so lost without you and pray that God will give me the peace in my heart to help me move on. I didn't realize what a huge impact you had on so so many lives until now. You were loved by so many people and it breaks all of our hearts that you are gone. But again, I'm so thankful for all the time we had together before God took you away. We made so many wonderful memories together. I will always love and miss you until we meet again. I hope to always make you proud looking down. I love you and just rest easy now baby.*
