August 28, 2007 - October 13, 2023

In Loving Memory of Angel Rey Hernandez

It is with profound sorrow and heavy hearts that we announce the untimely passing of Angel Hernandez, a beloved son, brother, friend, and cherished member of his community. He departed this world far too soon at the tender age of 16, leaving behind a void that can never be filled.

Born on August 28, 2007, Angel brought joy and laughter to the lives of those fortunate enough to know him. His bright smile and infectious spirit were a source of inspiration to all who had the privilege of being a part of his life.

Angel displayed a passion for life and athletics. He played a variety of sports over his lifetime, but he excelled in martial arts, cross country, and track. Angel began martial arts in 2014 and had progressed to a red belt, the next to last belt before becoming a black belt. He was an AOK state title holder in kata and sparring. Angel was also a member of the 2023 AOK Competition Team, which competes across the nation for the organization he was a part of for almost 10 years. Angel also shined in running, making the Varsity Cross Country team at Chisholm Trail High School as a sophomore after serving as an alternate his freshman year. He was always determined to beat his PR and strive for the next level.

In addition to his many talents, Angel was a compassionate friend who always extended a hand of support to those in need. He had a deep empathy for others and would go to great lengths to help anyone who needed assistance. His kind-hearted nature made him an exceptional teammate, friend, and brother.

Angel is survived by his loving parents, Antonio and Elsie Hernandez, and his younger brother, Mark Hernandez. He was a cherished grandson, nephew, and cousin to a host of family members who will forever hold him close to their hearts.

Though we are left with heavy hearts, we must also remember the bright light that Angel brought into our lives. His memory will serve as a source of inspiration, reminding us to live each day to the fullest, to cherish our loved ones, and to never take life for granted.

Visitation will be held on October 19th from 6-9 p.m. and funeral services will be October 20th at 11 a.m. at the Heritage Funeral Home Davis-Morrow Chapel in Brownwood, TX, where friends and family will gather to celebrate Angel's life and bid a heartfelt farewell.

Rest in peace Angel. You will be dearly missed, never forgotten, and loved always.

“ Hi, Im an old friend of Angels, we met in middle school at ILT. I was new, barely understood english, I met him in our chinese class. He would always help me with my work since I couldn't understand. We were both kids back then, we liked each other but we were just kids back then lol. He was a great, amazing, kind person towards me, he would always help me when no one else did. He would always brag about his dad being in the military lol. I miss him every day, I missed him more when he left school in 8th grade. He was very but very athletic person, he would cheer me up whenever I was down. We only talked 6th grade year but got real close. Im real sorry that this happened, I will always remember Angel.

“ My son, William from LD Bell, was running with Angel in the October XC. We are so sorry for your loss and have been thinking of Angel and praying for you and your family everyday since. Though we didn't know Angel closely he seems to have represented the very best spirit we can hope for in our young men.

“ Angel Hernandez was an amazing soul I wish everyone in this world could have known how he lit up people’s life I remember him in football we would talk all day at practice and joked around we talked about going to homecoming and just what we wanted to see in our future. He told me I was his favorite athletic trainer .He once told me that no matter what were to happen in his life that he would keep a smile on his face to keep his friends and family happy. Losing him is hard and forever will be he was young and what seemed like the perfect kid never in a million years will there be another angel he Impacted my life more then he would ever know.LLA

“ i miss him every day not a day goes by without thinking about him. tho he was not in my life long he was still the brightest thing i have met, he taught me many things that i will never forget and will continue to use from this point forward. he was the sweetest and the most social person known to man. i remember the times where we would just sit and talk and dance together. he was always so fun to hang out with and made the day better. he will be missed as a friend, brother, son, cousin and teammate. may he rest in peace.

I only knew Angel for a very short time, but his spirit and smile will forever live with me. He is gone far too soon! He was a very patient karate instructor to those he trained! Sparring with him, he allowed me to learn and still pushed me. I loved his spirit and his jokes! You will be missed! I will take your spirit forward and do my best to honor your memory! Elsie and Antonio I pray for your peace and know that you are amazing parents! We love ya'!!! Terri and Lance Fontenot
