“ I met Angela in math class at ACC. We spent amazing nights at my apartment at IMT apartments on Wells Branch Pkwy. Anytime she needed a ride, i would pick her up in my 2000 White Honda Accord that was a piece of junk. She always had her white shaggy dog with her. She broke up with me and we went our separate ways. i played piano for her many times. ill always remember her smile and how much fun we had. I will always love her even in the next phase of Life when we will meet again one day.
