“ I am so saddened to learn Nita has passed away. She had the purest, most loving and giving heart of anyone I have ever known. I was a complete mess when I literally dropped in on her, my father, Danny and Tippy. She didn't know me at all, yet she took me in as one of her own kids. Her ability to accept people for who they are and love them anyway is unmatched. I have honestly never known anyone like her. My sincerest condolences to all her family. I am quite sure she rests peacefully among all the other angels. Love always, Coelene (Niki) Harris
