“ *It has been a privilege to take care of our mother the past 4 years. I had help from my wife Mary and Chris Bumguardner to which I am forever thankful for.*  
*Mother inspired me to do my best and also encouraged me to make the best of life's disappointments when they occurred.*  
*Thank you Mom for your unconditional love, positive encouragement, and always being there for me. Saying goodbye to you is one of the hardest things I have ever had to do.*  
*Love,*

“ *Granny Maxine was a treasure of a grandma to me and great grandmother to my daughters. She sure loved babies! We have so many great memories but having her over for brunch over the summer the last few years was special and when she came out to stay with us for the birth of her first great grand child. She was a fun, tough and independent woman and I will always look up to her. My family and I miss her dearly.*
