“ Our hearts are saddened at the news of Betty's passing. The years of love, care, and laughter that "Nana" provided for our infant/toddler children will always be remembered. She was our answer to prayer and her smile could always brighten our day. May you all find comfort in your own special memories.

Much love,

Allen, Evelyn, Lauren, and James

“ Judy, Tommie, Pam and Sandy,
I pray for you each to have peace during this time of loss. I remember all the stories Judy shared about you mom. We shared laughs about the sound her houseshoes made each morning as she swept the halls. She was a great lady and I know she'll be missed by her family.

Hugs and love,
