“ Although we lived on opposite sides of Texas Bebe was always an important part of our family.

Mother (Lucia) shared with us that she and Bebe were the same age and grew up together (all girls in the family!) Through the years we primarily saw Bebe and her husband Dean and their children Dean and Connie) at Thanksgiving and Christmas gatherings.

The family gatherings were unforgettable memories of growing up and through them we learned the importance of family, love and tradition.

The ladies of their generation were something to behold and very inspirational.

Bebe was a strikingly beautiful lady. She was much loved by her mom and all of us.

We wish the entire Bagley family our sincere condolences at her passing.

Sincerely,

Tom Flanagan
