“ Uncle Billy was a character. He always had a mischievous grin and some hilarious stories and commentary. One of my favorite stories was the time he changed a tire on a trailer and realized it was a Firestone (when they had all the rollover accidents). He said, "I pulled off that outside tire and realized the inside tire was a Firestone, and I like to have come unglued!" I laughed so hard at that and have retold the story a million times.

He also had a big heart and you never knew when he might show up for a visit. He will be greatly missed.

Love and prayers to all,

Mike & Brandy Lackey

I've often repeated "One time I went to the Dairy Queen in Clyde Texas".

His life experience stories were great & usually hilarious. We'll all miss him.

“ Mary 'Beth and I were saddened to hear of Billy's passing. He and I worked together for a crop-dusting service back in the early '60s and it was a great experience. I spoke to Billy briefly before Jerry's (Lohse) funeral a few years back. Zoe and Billy, Helen and Bud and Jerry and I spent a lot of time at our grandparents' house as youngsters; lots of great memories remain. Our thoughts and prayers are with you all.
