“ *Teresa & Family,
We are at a loss for words to voice the sadness we feel for the pain you all are experiencing.
It was truly a shock to know that Bob has departed & we will no longer wave to him in passing as we drive past to our neighboring home.
The last ice storm comes to mind as I say this, we passed him on the road driving his tractor on those frozen roads...Hey look there's somebody on their tractor...as it approached, who else but our neighbor Bob waved & headed to his driveway.
He was such a friendly fellow. He will be missed.
Every time we turn down our drive I see your home & my heart is saddened knowing the silence that hovers in the house from the absence of your husband & friend, Bob.
I can only imagine what you are feeling & I pray that God will comfort you in the time ahead.
Know that we are here if there's anything we can do.
You all are in our hearts & prayers.
So very sorry for your loss.*

“ *Words can't express how I feel when I got the news of Uncle Bob's death my heart broke. Bob was all I had left of my Dad (Bud)and now I know they are together in heaven. I remember so many good times we all had when I was a kid, now I cherish those memories forever. My Mother (Udella) always said that Bob was more of a brother to her than a brother-in-law and she loves and will miss him and his phone calls. I love you Uncle Bob your best Uncle anyone could ask for.*

“Dad, I love you and will miss you. Thank you for being you. You taught with every action or in-action. I will still be talking with you, especially during football season. I will always be able to picture you jumping up out of your seat yelling, "Look at him GO!" lol...love you dad....

Teresa, I love you too and am so sorry your best friend is no longer physically with you. You are one of the strongest and most beautiful people that I have ever known. Dad was lucky to have you in his life and I am grateful that I am part of yours. I love you....

“Teresa, Glenn, Lisa and entire Tucker family - I am so sorry for your loss. Teresa, I remember when you met your love. He changed your life and the lives of your children. My heart goes out to all of you. You have experienced my great loss in the last few years than is imaginable. I pray for your comfort and peace. Our Messiah, the Son of the Living God, promised that He would never leave or forsake you. I don't understand His timing but I believe His Word. May God bless you all.
