

Bobbie Inman

November 3, 1931 - January 8, 2017

Bobbie Inman, 85, a lifetime resident of San Saba County, passed away on Sunday, January 8, 2017. Bob was born in Cherokee, Texas on November 3, 1931 to Eli and Clara Gray Inman. He married Betty Lambert on August 11, 1957 in San Saba and they never looked back. Bob loved to hunt, fish, and anything outdoors with his dogs. Being one of the few lucky puppy's adopted by Bob and Betty must have been an incredible life for the dogs. He loved to cook and was a really great cook. He could tell tall tales all day long but always took extra time with family and friends. He spent over 20 years working for Halliburton on a massive ship that set up the offshore oil drilling platforms from the Gulf of Mexico to New Zealand. He is survived by two sons: Tim Inman of San Saba and Ronnie Frisbee who lives in Harper. 2 sisters: His twin sister Bonnie Terry and Marzelle Inman and numerous nieces and nephews. He is preceded in death by his soulmate Betty, his parents and 6 brothers and sisters. Bob was a remarkable man who loved life and he will be missed more than he could ever imagine."
