“ *I had the Best Father-in-law in the whole wide world! From day one I met him, he said, " Get out of my car and go to the restroom in this freezing cold air",*

Even so, I was just wearing a tank top and shorts. To dancing with me at my wedding, when my husband, Brian said, " that his dad may not dance with you because of his knees hurting." I enjoyed dancing with him. We had a blast dancing that night together! He taught me how to count deer. He always checked in on me when I lost Brian. I will always be grateful for all of his love and being his daughter-in-law.
