“ A memory from the 60's is Uncle Bob teaching me to jump from the bed when I was very young, and he would catch me, and pitch me into the air and catch me again. This is a very happy and fun memory that I will cherish and remember all of the rest of my life. Markael Edward Montgomery Probst (I am the son of his Older Brother James Edward Montgomery).

Uncle Bob was one of my main corner stones in life, although we did not get to see each very often, because we lived so far apart, I knew I could always pick up the phone and call him for any kind of advice, or just to hear his kind and loving voice, especially if I was down. He often called to just check on me and my family. He had an amazing way of remembering names. He would always tell me a funny story to make me laugh. He leaves behind such a wonderful legacy. He was one of the last of his kind! "A True Man". I loved him very much, and I will miss him dearly!! I am his older brother, James's daughter, Jan. OXOXO
