“ I met Bobby thanks to my nephew and niece, Joe and Suloni. I never saw him in person. We were "phone" friends. From the first time we talked, I felt like I had known him always. That is the wonder of a human like Bobby. He was warm, kind, down to earth and a joy to converse with. I looked forward to our talks. I only knew Bobby for about a year and a half, but his friendship touched my heart. He will be missed. Condolences to all his family and friends. Sally Castlen-Lexington, KY

“ I first met Bobby when he came to Dallas with my brother Joe about 8 years ago. He stayed at my parent's apartment with my brother Joe, and we all went to dinner at Spin Pizza. He loved the gelato from there that he got. I saw him again in August of 2022 when we shared pizza at Joe's when we were helping my brother pack up to move to Virginia. Bobby was a sweet man with a kind heart! I called him to wish him a Happy Birthday for his 80th Birthday. He will be missed, and my condolences go out to his family and friends. Hugs, Marcey and family
