“ So sorry to hear of Carls passing ! I had the pleasure of hunting with Carl, The Barber ,and Bob on Bobs ranch from 1989 thru 1995. Thought the world of Carl. Don't know if he ever shared the story when we painted his TALLI stand Bright red you could see it for miles . We blamed it on the Barber and Carl would not believe us because he said Barber was scared of heights and would never get up there. we talked the barber into climbing up with paint can and brush. We took his picture and my other friends moon Beam Slocum Stanley Booper Baldwin ,V J Abate and myself had some t-shirts printed with Barbers picture holding that paint brush and can . We were blaming it on the Barber and Carl was still defending him ! we all put those shirts on and walked out . We had the barber and Carl could not believe it !! Can still hear all the laughing Great Memories made with Carl !! A special person !!
