“ *My heart goes out to each of you at this very sad time. Please accept my heartfelt condolence. Your mother and I got to meet when I moved back to Menard in 2001.... We both had routines to check up on Snooks. And of course I would ask about the family after Polly was gone. We had lots of laughs up at Community Center on Wed. When I would show up to play bridge! We giggled about Adeline circling Snook's block and when it was time to leave!!! So 'she' could come Visit in'. I have doctor appointments in Dallas on Thursday and Friday, but you each will be in my thoughts and prayers! Love you, Cousin Marilyn*
