“ *Loved the video. I remember one year we had Christmas at our house in Brownwood. After dinner, the guys, Mac, Bill, David & all kids were out in the front yard playing football. I have a picture of one kid having a hold of Bill's leg trying to tackle him. Don't know who threw it, but apparently Bill caught it. This would have been the early 60's. Such great memories.*

“ *When I was a teenager, Carolyn wanted to get a haircut and I convinced her that I knew how to cut hair and she let me cut her hair, much to my mom's horror....Of course I thought it was hilarious. Carolyn never let me cut her hair again...*

I can just see Carolyn's hair. May your memories help you through this time of loss.
