“ Carolyn was a great person- she and I had some fun times. I met her while working in the same building with her in Austin. She and I even took a girls weekend trip to Katy to go shopping. We went to the gym together for awhile, and had lots of fun.

She always talked about her precious granddaughters and mom. My thoughts and prayers are with your family. Please accept my deepest sympathy.

Sincerely,

Lisa Thomas

“ Carolyn was a very good friend. We shared four years of high school and bus rides. She was always the sweetest friend. I loved her cute pixie shaped face. She was absolutely beautiful. She will be missed by all of us. May she Rest In Peace. Sympathy and prayers to all the family.

“ Our deepest sympathy to Carolyn’s family. Carolyn was a dear friend since high school in Granger. She was part of a group of girls from our 1965 graduating class that would get together ever so often to share friendship, memories and good times at a restaurant in Round Rock. She always had a smile on her face and loved to laugh! She was a very special lady, kind to everyone she met and always ready to have a good laugh. She will be missed so much.
