*Linda, Marlin just called and told me (7/10/21). I'm so sorry for your loss. He also told me the story of you two showing up in Conway's Austin Healy when we were Seniors, Marlin thinks. He and some others (he can't remember who) picked the car up and put it in front of the door to the school. Chief Walston called Marlin out of class and he and the rest of the jokersters had to move the car to allow the doors to open. Good memory. He also said "I didn't even get a demerit." Bless you and yours, Sharan Spiller Linebaugh*
