“ Charles and I went to highschool together, and while admittedly, we weren't very close what I DO remember is that he was always a very kind sweet guy with rosy cheeks and was always willing to help someone else , if they needed. I really wish we would've stayed on touch over the years. My condolence to all his family & close friends ♡

“ My daughter Laura and Charles were friends. They were on the high school golf team together and had at least one class together. He came over to our house several times, and he always impressed me as being very kind and considerate. Think he was like his grandfather E.C. Kattner, who attended our church. We are deeply sorry for your family's loss.
