“ I always enjoyed my visits with Clara. She brought back fun memories of my mom, Mattie Owen Leftwich, who was just one day older. It was such a sweet gesture when she sent the picture of her and my mom together as babies. I know they will enjoy seeing each other along with many other Locker friends and family. She was a neat lady and will be missed.

“ Clara was one of my favorite persons on this entire planet. She always made me feel loved. She always had a smile & a laugh for me. And she absolutely made the best lemon chess pie on the face of this earth. :-)  
I am sorry we're out of state and won't be at her services, but she will always be in my heart & in my memories. She & Marion were like second parents when I was younger, and I will always love them both.
