“ I finally had a chance to come on here a say a little something about my father in law. From the first day I met him he welcomed me with a flirtatious smile, wrapping his arm around my neck to whisper something about his past and the fond memories he had. When we last spoke he said he would dance with me when got home, we never got that chance. But I know one day we will see each other again and it will be my pleasure to have a dance with you Clarence (pops) ❤️
