“ Mom I miss you so much that my heart feels as if it has been broken in several pieces. The house no longer feels like a home without you in it. I know that you are in Heaven no longer feeling the pain you once endured. I will love you always and rejoice the day I am able to once again be by your side.

“ Mom I will miss you everyday. I am so glad that your out of pain. i don't know what I am going to do without being able to call you and talk about everything. Or hearing your laugh and seeing you smile. I will miss your beautiful voice. I live you Mom. Fly high with the Angels. Sing in that Angel choir. Give Grandma and Grandpa a great big hug from me. Love you Mom.

“ *Connie, our dear friend, we will miss our visits we had with you on your front porch. We began our friendship back in 2016. Through the years, you have grown so special to us! You won't have to fear anything anymore as you are with the Lord and He's taking care of you. If there are porches in Heaven, they will be so beautiful and we can visit some more there. Save us a seat. Rodger & Carolyn Bane*
