

## Corina Garcia

July 31, 1945 - October 21, 2013

Corina Garcia went home to be with the Lord October 21, 2013 at the age of 68. She was born July 31, 1945 Menard County, to Rafael and Gracia (Urtega) Hernandez.

Corina was a person that would go out of her way to help you, but at the same time you would not want to cross her. She loved plants, many times stealing from a place, and running home to put them in water till the roots showed, and then transplant them to a soil pot. She could spend hours in a thrift store, she could be sweating and hot from the Texas heat, but that didn't seem to bother her, she would rather be doing that, than staying at home or in a cool car. She wanted to attend every game her grandsons were in, and support them in all they did, for in grandma's eyes they did no wrong. She had an amazing fighting spirit, and she loved her children and you best not mess with them, even after they were grown. Thanksgiving was always her favorite holiday she would do all the work and complain about it, and then stuff herself and complain about that. She said the homemade dressing that she made was the best not that store bought stuff. We don't pick our parents, we don't choose our family, what we get is what it is; you can pick your friends, your partners, wife, husband and places you live. At times family can really work your last good nerve, but no matter what, they are your family, and what that means is I have your back and you have mine. Whatever you are going through, they are there for you"THAT IS FAMILY" when you lose them it hurts and leaves a void that can never be filled, but one thing we know God will bring us through and

make us stronger.

Corina is survived by 3 sons; Paul Garcia and wife Kelly, Danny Garcia all of Fort McKavett, Texas, and Leon Garcia of Miami, Florida, 2 grandsons; John and Devon Garcia of Menard, 1 sister; Irene Aleman and 1 brother; Richard Hernandez both of Menard and numerous extended family members.
