“ *I knew her years before getting to work with her at TDCJ. At work we always laughed, she was always so happy. She is no longer in pain and will always be with us. RIP Roberts!*

“ *I was unable to delete my previous comment due to a word misspelled so I wrote another one.  
I was fortunate to spend my time with Cindy in her last days. I was also able to tell her that I loved her, so when she left this world she knew how I felt. RIP my Sister.*

“ I can't remember when I first met CJ but I do know I really liked her from the first time we met, she was a great person, honest and a good sense of humor. She left us way too soon, my heart goes out to John and the rest of her family and friends. Love you Cj may you rest in peace.
