“ To my sister: I will miss you more than words can express. While I was hoping to grow old with you like Grandma & Theal, God had a different plan. All of life's challenges and worry are gone. While I won't be able to talk to you on the phone, text or FB, my messages to you will be passed through the heavenly fiber optics. I'll take care of Ricky. You would be so proud of him this week (and proud of Littlefoot). I know you are warmer than we are right now! I love you dearly - Dee-Di
