“ Darian, you and I grew up together. Babies. Losing someone I have known my whole life is tearing me apart. We were with you daily. Whether I got out of my car or not, but you made sure to come tell me you loved me. The day you were stolen from us you hugged me and said I love you for the last time. I love you Darian. I’m glad you were able to tell me you loved me, that will be the last memory I have of you. With all the love I have, love Hanna.
