“ I knew David through antique bottle collecting and always enjoyed our conversations on the phone, via email, and at the various bottle shows. I always enjoyed hearing his stories of how he came across some of the various treasures he owned; I know he will be missed greatly by all in our hobby here in Texas. The Cole family will be in my thoughts through this difficult time. -Brandon DeWolfe

“ David you and Martha have been some great friends that we have had the privilege of knowing for a lot of years! It’s amazing how one little bottle grew a friendship that has lasted a lifetime. Anytime Ronnie wanted to know something about a certain bottle you were the one he would go to. He valued your friendship. We enjoyed many many great years set up next to you and Martha at the Houston bottle show. I truly can’t imagine anyone else who will be missed as much as you buy a lot of people. I know your happy for the first time since losing your sweet Martha. That’s how it should be. Together forever with Jesus.
