“ I will always remember Uncle David smiling. He was always offering to help anybody in need. His family was the love of his life. He was always joking and laughing. There was not a person he didn't know. One thing I will miss very much is hearing his voice. He called us regularly to check on us. He was very caring. Rest in peace Uncle David.  
Praying for all the family. Love you all.

“ Our sympathy to the family. David was always first in line at the FBC food pantry and we were surprised when he was not there this last Friday. Later we were saddened to learn why he was not there, but learned that he had a much higher appointment to be first in line for. David will be missed by all of us because he was always so friendly and thankful. We pray for peace and comfort for the family. George & Pat Matula

“ *There are too many memories and stories to pick just one. Uncle David loved his family and did his best to show them every day. He made friends everywhere he went with a joke or story. Always asking if he could help in any way. We will truly miss him and his phone calls. Sending much love and prayers of comfort.*
