“ *Aunt Debbie was always the aunt that we all went to and would get advice from and she was always the aunt that would make you laugh and tell you how it was. She was an amazing mom and nanna and aunt! She was loved and will be missed by many. I will miss her laugh and her saying now Stephani you know you should not do that. And her telling me to take care of my mama. Give Granny, Pawpaw, Uncle Chuck, Uncle Jim, my dad and Matt a big hug from me and all of you watch over us until we get there with you.*
