“ *Diane was a sweet and lovely lady. Years ago in the tradition of military hospitality, she housed the Willis’s while we house hunted in Springfield, VA. About 1982. The husbands were acquainted but we were not. She made us feel very welcome and fed us like kings. I came away with a couple of recipes that I still use today. My condolences to the family.*

“ *We were so very sorry learn of her passing. We send our love, prayers and deepest condolences to the Carden family. My husband and I spent three years serving with the Carden's in Germany. We all worked hard and played hard, but enjoyed the friendship of both Dianne and her husband, who was the commander of the battalion. May God go with each one to give them comfort.*
