“ I miss my big brother so very much. It looks as though anyone that knew him captured his sweet spirit through his smile and eyes. That was the Lord shining through. You could always count on him praying for you everyday. I know he wasn't perfect, but he sure was a great spiritual warrior that you could count on! I count it an honor to have been his sister. I especially loved it when even the teachers at high school thought we were twins due to us resembling each other so much. No doubt Don and Jeanette are strolling through heaven together enjoying the sites and everyone there. I love and miss you dearly and look forward to our family reunion in heaven! Amen!

“ Don was a wonderful friend and fellow Christian. He was loved by many. He lived the life of a believer. Had lunch with him a few times after our Sunday services. Don attended our senior retreat in May of each year. He will be missed, but we know he is in his heavenly home. Steve Peacock
