“ *Tim, Angie and family,
I am so sorry for your loss. I know what it is to lose a parent, and pray that you may find peace in the coming days. Know that your Mom is in a better place now, and no longer in pain.
I wish I could be there for you in your time of need, but, I am unable to. Know that you are in my thoughts and prayers today, and as you travel back to Colorado, as well as in the days ahead.
If you need anything, even just someone to talk to, I'm here.
Love,
Dan and Barbara Brant*

“ *Tim... I am very sorry to hear of your loss. I know how this feels and know that any words I have are totally inadequate to lesson your grief. I can only say that you can take comfort in the coming days of the memories made with your mother over the years. I will certainly be thinking of and praying for your family.*

“ To Janelle and your family, Sue and I would like to offer our condolences regarding the loss of your dear mother. This event is obviously very close to me since I lost my mother just last month on December 18th. I don't think we can ever be prepared for these events, but our friends, family, and the Lord will help us get through them. Our thoughts and prayers are with you.
