

## Dorothy Jean Knotts

September 1, 1943 - April 26, 2021

Daughter, sister, aunt, wife, nana and beloved mother, Dorothy Jean Knotts (nee McLeod), went to her heavenly reward peacefully Monday night April 26, 2021. Dorothy was raised in Florida till 1976, lived in Brady for forty years and Kingsville for six years. She married M.C. Knotts Sr. on January 26, 1976 in Crestview, Florida.

Two simple truths best described her: she never met a four-legged creature she couldn't turn into a house pet, and she never met a two-legged critter she didn't have a soft heart for. She had three hobbies that reflected her diverse passions in this life: gardening, bird watching, and watching professional wrestling.

She lived a life that wasn't easy, but she never complained. Her kids and husband always had full tummies, clean clothes, and a clean house. She personified the Beatitudes; always thinking that she needed to share her blessings, meager as they sometimes were.

Dorothy is preceded in death by husband, Jiggs, her parents, two brothers and a sister, and a son Clint.

Dorothy leaves three children, Allen and his wife Jill, Jeffrey, and Jennifer, eleven grandchildren, five great-grandchildren, and her devoted companion Precious who are all honored to have known and loved her

Memorial service will be held at 10:00 AM Monday, July 12, 2021, at Bible Baptist Church in the basement 605 S. Elm Street, with Rick Brann, officiating. Celebration of Life will be held at the Brady Lake Pavilion at 2:00 PM.

Funeral arrangements are entrusted to Heritage Funeral Home of Brady.

“ It's hard to believe it's been almost a year. Continuing to pray for the family of one of the most amazing women I've ever met. There has been a void this past year that will continue. Dorothy was a true momma bear. She didn't allow people to mess with her kids or those she considered her kids. (people or pets alike) She loved deeply and without reservation. She took people under her wing and showed love, taught valuable skills, shared Godly truth, and always spread laughter with anyone she came in contact with. I was privileged to know and love her on this earth.

“ *My momma took our friends in as her kids. She loved them as much as she loved us. She would feed them wash their clothes for them and teach them how to cook. Some she taught how to clean. She loved her animals, she loved all animals. She wasn't too fond of a few referees at the Rochelle sporting events or even an umpire at the Llano baseball games but those are memories we will never forget and I'm sure those spoken of have nightmares about a purse flying at them. If there was a hall of fame for mommas, she would be in it. She is now watching over us all I promise you that.*
