

Dorothy Irene Mann

September 7, 2015 - April 23, 2015

Dorothy Irene Mann, age 88 of San Angelo, Texas passed away Thursday, April 23, 2015 in San Angelo.

Graveside service will be 10:00 A.M. Saturday, April 25, 2015 at Live Oak Cemetery in Brady, Texas.

Dorothy was born in Helena, Arkansas, the only child of Anna Belle Penick and John Elliot Penick on September 7, 1926.

She was raised in Kosciusko, MS, moved to Texas in the 1950's and eventually met and married Bill Mann. She and Bill lived and loved each other in Brady until Bill's health declined and they moved to San Angelo's Rio Concho West.

Mom and Bill loved Brady, especially close friends and all aspects of their Methodist church. Mom loved singing in the choir and Bill loved to visit. Mom, ever the lady loved the Lord, Bill Mann, her family and chocolate! I know Bill will greet her with "Hey Momma what took you so long?" Mom's often repeated scripture "...this too shall pass" will be remembered and spoken with love.

After Bill's death Mom lived at the Baptist Memorial Greenhouse. She often

told her daughter, Kay, she was so glad we found this place for her. She had lived at the Talley House almost three years. It is with such gratitude we thank each Shabaz who cared for Mom. She loved each of you!

Dorothy is survived by her daughter and son-in-law, Kay and Jerry Tinkler of San Angelo, Texas; grandchildren, Cody Tinkler and his wife, Bobbie and Lindsey McMillan and her husband, Jason and granddaughter-in-law, Mary Tinkler; and great grandchildren, Daria Mercedes Tinkler, Gracie Belle McMillan, Abby Layne McMillan, and Zachary Roman Tinkler.

She was preceded in death by her parents; her husbands, Robert Strode and Bill Mann; and her grandson, Wade Tinkler.

Memorials may be made in Dorothy's memory to Alzheimer's Association or to Brady First United Methodist Church.

“ I knew Bill and Dorothy from working at the Library in Brady. Bill and I exchanged "jabs" while Dorothy smiled. She was such a beautiful lady, inside and out. I am so glad that I got to know and enjoy her. I missed them when they moved to San Angelo, but knew they needed to be there. I am holding good "thoughts and prayers" for the family. I know you will miss her. Annette Deans
