“ *Donnie and Judy, Barry and Ricky, I was shocked when I recently learned of Earl Ray's passing. Even though it's been more than a year, I wanted to let you know how sorry I am.*

In case my name rings a bell but you can't quite place it, my mother was Helen Bradshaw, one of Earl Ray's first cousins who married and moved to Nebraska. She lived with Lillie and Matthew for a few years while, I believe, Earl Ray was with them. He was one of her favorite cousins and she thought the world of Margie.
