September 17, 2018

Emilie Frances Everett Bowman, age 81, passed away on Monday, September 17th, 2018 in Houston, Texas after a courageous battle with Glioblastoma Brain Cancer.

Emilie (also known as Mimi and Em) was born on February 8, 1937 in San Saba, Texas to W.A. "Bud" Everett and Frances Harris Everett. She graduated from San Saba High School and attended college at Southwest Texas State University in San Marcos, Texas where she met the love of her life, Coy Bowman. After getting married, they set out on a loving journey that took them across numerous towns in Texas while Coy moved up the corporate ladder with Beall's Department Stores. They had two sons, Bryan and Brad, and although times were sometimes rough, they built a loving home and made many dear friends and memories.

Emilie lived the last several years in Houston, Texas and made many friends over that time. She was a member of the 2nd Baptist Church in Houston and was on the prayer gram team and was also a member of the Beholding His Glory Sunday School Group. She never met a stranger and was always helping others.

Emilie loved her family, friends, her Shitz Shu dog, Button, and especially her grandsons, Matthew and Jacob. Mom will be missed by so many but she

definitely left her mark on all of us.

She is survived by her son, Brad and wife Cheryl Bowman, grandsons, Matthew and Jacob Bowman, brother, Bill "Will" Everett, cousin, Adrienne Meyer, and numerous other family and friends. She is preceded in death by her parents, Bud and Frances Everett, her husband, Coy Bowman, and son, Bryan Bowman.

In lieu of flowers, donations may be made to a charity of choice or to Houston Hospice, 1905 Holcombe Boulevard, Houston, Texas 77030, in Emilie's name.

“ Dear Brad, Cheryl and family,

I knew Emilie from Second Baptist Church for approximately the past ten years. She and I sat up in the balcony and shared so many wonderful Sundays as Dr. Young, Ben or guest speakers shared the message of salvation through Jesus Christ. It was evident that she loved you, her family, and her church home. I have missed her since she was no longer able to come to church but she was not far from my thoughts in prayer. I am so thrilled to know that she has now met her Savior, Jesus Christ, face to face, and I know you all look forward to seeing her once again in Heaven as I do. God bless you as I know you miss her terribly.

“ Emilie was my friend from the time I was in the third grade when my family first moved to San Saba. We never lost touch over the years as our lives took us to different places and different experiences. In recent years our group of close friends from high school days would gather, to tell our stories, eat too much, even on a few occasions to skinny dip. The "dirty dozen" is now down to nine, and now we grieve the loss of sweet Emilie.

When I saw her last month for what would be the last time, we told each other we would try hard not to cry. We failed, of course, but the close friendship we shared for over 70 years never failed. I will miss her very much.

“ *Emilie was my friend, neighbor, dog mama friend, for the past 4 years. I am going to miss you Emilie; your caring phone calls, your beautiful faith in God, prayers for my daughter injured in car accident, your love and friendship! I will see you again one day when I join you in our Father's Kingdom!*
love you always,

“ *There is something inexpressible about losing your Mother. There is a magic in her smile and comfort in her voice that can never be replaced. But the unconditional love she gives is so profound that it enables us to carry her with us each day. Emilie has made the journey home to Our Lord whom she loved so dearly. I feel comfort knowing that she is with Him and watching over us all. I will miss a beautiful woman and a dear friend.*
Brad, my thoughts and prayers are with you and your family.

“ Dear Aunt Emilie, as I say goodbye I remember all the wonderful things you did for me and for others. What a wonderful light you were for all who knew you. If you were a friend of Emilie's you were family to her; if you were family you were on the highest ground. When I was young, Nana and Bud would pick me up in Austin and I would go to Emilie and Coy's. It was so much fun during the holidays. Great times, great family and great food. As we got older with our own kids we would still go to Emilie's for family time. She loved her grandbabies, Matt & Jacob but still had plenty of love for my boys, Weston & Dylan. I wish you could have been here longer Em, but I know you are so happy now that you are with Coy, Brian, Nana and Bud. We all look forward to seeing you again one day. I love you.
