“ *I originally met Farrah 20 years ago while living in Waco and going to college. Elizabeth Pardue was my best friend and we had invited Farrah down to meet me. We all three ended up staying the night at my house and decided to color Farrah's hair dark brown & darken her eye brows just for fun! Needless to say I did and she LOVED it. Went on and on about how happy she was. It's the little things... We later stayed in touch throughout the years and both were in Elizabeth's wedding and fun meet and greets here and there. What a pleasure it was to had met her and to had so much fun together. Farrah will always be remembered and loved. Prayers to her family as they say their final goodbyes, and see again. ❤️ Rest easy my friend!*
