“ *The McMurry and Graves family have very fond memories of the Lafuente family. Fernando and Bobby worked on many construction projects together. Fernando was a kind and honorable man as well as a talented craftsman. He loved his family and it showed. Our prayers are with all in your time of grief and days to come. “ *When we were new to the City of Brady, and meet him at Higginbotham, he invited us to church. After much encouragement to grow in our faith, I completed my sacraments and he and Sally became my God parents. They welcomed my family with open arms, and being so far away from family, it was much appreciated. He truly was a genuine, kind, loving, and faithful man. He had a strong sense of faith and family. My greatest regret is that I didn't visit after moving away. I will never forget the kindness he showed my husband, my children and myself. I am forever grateful. May you Rest In Peace in God's presence. My condolences to the La Fuente family.*
