“ *Linda and family,*

Please accept my sincerest condolences on your recent loss. Forest was a good friend throughout our school days in Brady, especially in High School and our track days in 1959. He was a great classmate, man, husband, father, grandfather, and great-grandfather. I truly appreciate his friendship over the years and know he will be fondly remembered. May the Lord provide you comfort during this time of sorrow.

“ *I am glad my path crossed with Forest's path on this earth. I only knew him a few years through our High School Journey. Forest was a man's man during the time I knew him. He had my utmost respect for his honesty and I always admired him for being such an example to all of us teenagers (who knew it all).*

Thank you, Forest, for being such a great classmate and blessings to your family.
