“ My first job was at 4 Corners in downtown Brownwood, and I dearly loved Yankee! She was such a sweet person and I enjoyed working with her so much. Although I have not seen her for many years, I will always think of her with fond memories! Condolences to her family.

“ Yankee was such a presence at church. She and A.I. always sat on the left side. Stanley knew you girls, and would try to explain to me who you were. May light perpetual shine upon her, and give you peace.
