“ I had the pleasure and honor of getting to help care for this man. He was one of my first patients after I graduated nursing school in 2012. He was stubborn and ornery, and I loved him for it. We definitely had our moments, (being a little stubborn myself) but we both knew at the end of the day we had our bond. I'll miss you Peanut, you'll always have a home in my heart. Thank you for the last 11 yrs. ❤️
