“ Most recently remember driving Heath to some of his cancer treatments. Even through that he was always so positive and always remembered to thank me. We usually stopped and got a coffee on the way home and talked about food and his favorite things to cook. He will be missed. I am so sorry, Christen. Love you.

“ My condolences go out to all of Heaths family.. he became part of our family hanging around with my children while growing up in Elko Nevada. I remember him and the trombone with our son. He will always be remembered by our family. David and Cecelia Smith
