

Herminia Cardenas

April 23, 1929 - September 3, 2024

Herminia Dela Rosa Cardenas, age 95, was called home to the Lord on Tuesday, September 3, 2024, on her husband's birthday, surrounded by family. She was born on April 23, 1929, to the late Felix and Josefa Martinez Dela Rosa. Herminia married her husband, Aristeo Cardenas, on June 25, 1949, and remained married for 66 years until his passing in 2015.

Herminia's life was a testament to her unwavering love for her family, a love that was felt in every embrace, every meal, and every stitch of her needle. She met the love of her life while picking cotton, and together they made Brownwood their family's permanent home. There, Herminia became the heart and soul of the Cardenas family, a role she embraced with boundless devotion. As a master seamstress and crocheter, Herminia's hands were never idle; they were always creating and giving. Her blankets brought comfort, her Sunday breakfasts brought the family together, and her presence brought a sense of home that can never be replaced. She poured her love into every act of service, always thinking of her loved ones first. Herminia was a loving wife and mother and a beacon of light for her grandchildren and great-grandchildren. Her home was a sanctuary, a place where everyone felt safe and loved. As a devout Christian, she found peace in her devotionals and joy tending to her roses, her garden a reflection of the care she gave to everything she touched. Herminia was a loyal fan of the Dallas Cowboys and Texas Rangers. Even when her teams were losing, she cheered them on with

unwavering support, even if it meant wanting to throw the remote at the referees or umpires out of frustration. We will forever miss her in the kitchen, her quick wit, her contagious laugh, and the warmth of her arms that could chase away any worry. Hermina loved us without limits, and the depth of our loss is a measure of the immense love she gave us. Though our hearts ache, we find joy in the legacy she leaves behind—a legacy of love, service, and unshakable faith. Thank you for showing us what it means to love fully. Your memory will continue to be our guiding light, and your love will forever be the foundation of our family.

Herminia is preceded in death by her husband, Aristeo, son: Ramon Cardenas, daughter: Margie Cardenas Perez, granddaughter: Angelica Yasalet Cardenas, great-grandson: Jesus Andres Bernal, son-in-law: Jesus Bernal, and beloved brothers and sisters: Ruth, Felix, Julian, Margarita, Alfredo, Cecilio, Manuelita, Elijio, and Adela.

“ Herminia was like a daughter to my grandmother who lived with us and had helped raise me. For a time we lived on the same block and she just was “our family”, she as close to family as you could get. I miss those days when I would visit her or run into her at the grocery store. She always did have that way of engaging and making me laugh. I don't think I ever knew anyone so dedicated to taking care of all her children and their children. Prayers to all her family and may God provide peace and comfort. Rest in peace, Herminia.
