“ Dearest Sis. Shirley & Family:
Susie & I were saddened to hear of Bro. Weldon's decease. Surely,
"the weary are at rest" - awaiting His Lord's return to raise him to life
again. We regret that we both were sick during the funeral and
chose not to attend, not knowing if we were contagious. We were
with you in spirit, however. We pray your days ahead will be
blessed. We consider it a great honor and pleasure to have known
& associated with bro. Weldon. Hope to see you soon.
