“ Prayers for the families. I have fond memories of Ike and Joyce and their boys from our Boys Ranch days together. Ike was a wonderful example to the boys he taught.

“ I have very fond memories of Mr. Trimble in Dalhart. His sly mischievous smile, his kindness, and all the mile's he hauled us and our animals to stock shows. He helped us put together a Farm Radio broadcasting team that went all the way to the state finals and we got 2nd place, behind a team from Dallas. To me he was a great man, a true leader, and he genuinely cared about all of us and our projects. I will say it only took me one swat from his paddle, and I never acted up again! Mr. Trimble I can honestly say you helped me to become the man I am today. You are greatly missed! I wish your family prayers of comfort and understanding during this difficult time! God bless you all!
