“ Yo Jizzy, you really hurt me with this one 😞 I can't even express how traumatized I am. We were literally just chilling on a positive note, sorting through a plan to better our lives, and now you're gone. You were supposed to swing by on your in to town but you never made it back. My feelings are torn and I don't know if I'll ever go back to normal. I miss you, life will never be the same. Fly high soldier, you have gained your heavenly wings ❤️
