“ *JC, I love you so much and will miss that hug and smile every time I saw you. You were such a special cousin to me, always having something nice to say and always asking about my sisters. I so much appreciated your supportive and caring heart. You made the time to come walk our trailer and had such words of encouragement. I will miss you so much. I still can't believe this. I love you. As for ALL of your direct family, I'm so sorry we have lost someone so special. Hugs to all of my family!*
