“ *Janis was such a sweet and caring person. Wish I had seen this sooner. I would have come to the visitation. I will keep Frank and all of you in my prayers. Last time I saw them was at my David's burial service in June 2018. Remember coming over to visit so many evenings. Frank taught David a lot about cattle.*

“ *Janis was a dear friend and coworker to me for many years. We carried the mail for Florence and she was always there for me to depend on when I needed a substitute for the route. She was a remarkable woman of many talents and never failed to come to the aid of anyone . Her charm and wit will stay with us forever. We will always have very fond memories of her and are saddened by the world's loss of a beautiful person.*
